

TOWN OF COLONIE LOCAL DEVELOPMENT CORPORATION

MISSION STATEMENT AND PERFORMANCE MEASUREMENTS REPORT 2013

MISSION STATEMENT

The Town of Colonie Local Development Corporation (“LDC”), in conjunction with the Town IDA and Department of Planning and Economic Development, supports Town economic development through the creation of new business and employment opportunities and the retention and expansion of current commercial enterprises. This will be achieved through the use of the LDC loan fund which will encourage economic investment in existing and developing business enterprises and technologies and through LDC bonding authority.

PERFORMANCE MEASUREMENTS

During 2013, the LDC furthered the performance and achievement of the LDC’s goals as outlined in its mission statement in the following ways:

During 2013, the LDC issued its Tax-Exempt Revenue Bonds, Series 2013 (Shaker Pointe at Carondelet, Inc. Project) in the aggregate principal amount of up to Twelve Million Dollars (\$12,000,000) (the “Bonds”) on behalf of Shaker Pointe at Carondelet, Inc. (“Shaker Pointe”). Shaker Pointe used the proceeds of the Bonds to finance the construction of a three-story building containing approximately 56 independent living units for senior citizens and offices. This was the second phase of the Shaker Pointe senior housing project which consists of various apartments with common areas, single family, duplex and triplex housing units, a multi-faceted community building, and several one-story parking garages. In 2013, the Shaker Pointe Project retained 8 jobs and created 6 additional jobs.

The LDC responded to an inquiry regarding a potential senior housing project and continued to evaluate ways by which the LDC could foster economic development in the Town of Colonie.
